

2021

YEAR IN REVIEW

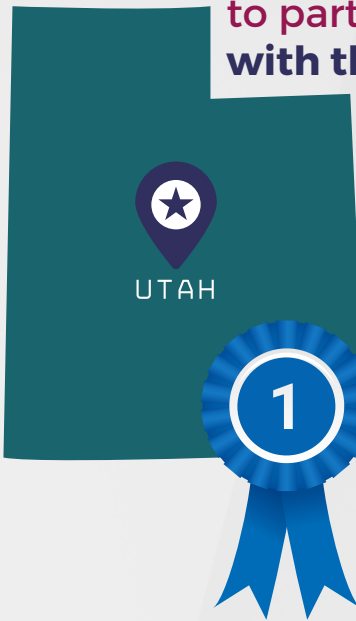

Normalizing career breaks™

...for relaunchers, everywhere.

2021 was yet another record-breaking and defining year for iRelaunch

We were proud

to partner with the **State of Utah**

as they launched the very first **public sector return to work program!**

Over the last two years...

2X

our team has **doubled in size!**

Our **consulting practice is now global** and serves employers and relaunchers **all over the world.**

We hosted our

30th!

Return to Work Conference

During our 2021 Conferences, we **connected over**

2,400

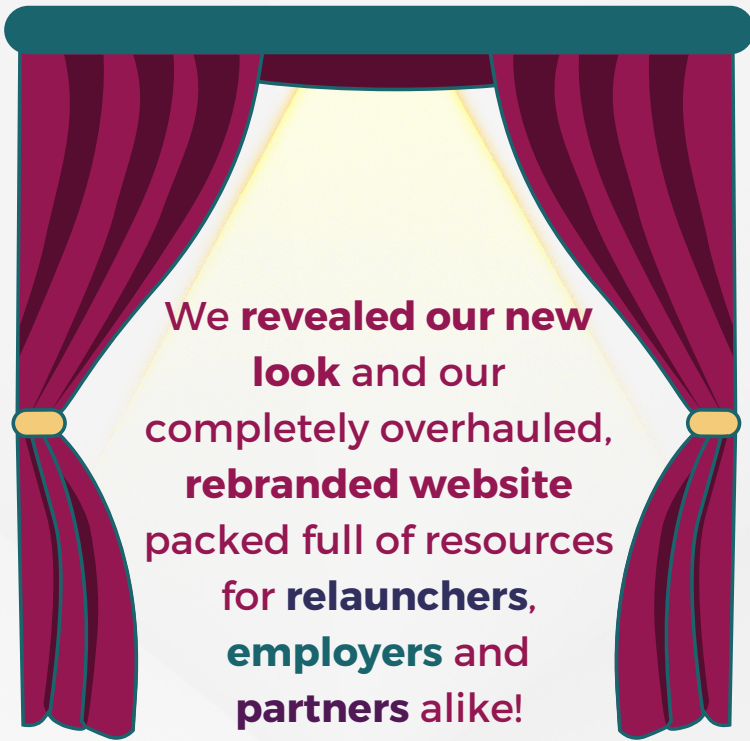

34

relaunchers with **visionary organizations**

This means

more than **11,000** relaunchers have attended this **flagship event!**

We revealed our new **look** and our completely overhauled, **rebranded website** packed full of resources for **relaunchers, employers and partners alike!**

Many of these organizations attended our inaugural

Virtual Employer Summit

to discuss the **latest trends, innovations and best practices** in career reentry programming.

We kept you informed with our **Weekly Return to Work Report** and **Quarterly Employer Updates.**

Our active and engaged **relauncher community** has grown to over

100K+

with more than

66,000

THE 3, 2, 1 iRelaunch

PODCAST

Now with

220+

episodes and

400K+

downloads!

Our award-winning **podcast** continues to gain acclaim since its inception in 2017.

people tuning in to see Carol Fishman Cohen on **Andrew Seaman's #GetHired** segment.

We featured diverse and unique **relauncher success stories** for each month of the year!
